Participation of students in hazing and discrimination activities is prohibited.

The University of Texas at Dallas is committed to providing an educational, living and working environment that is welcoming, respectful, and inclusive of all members of the university community. An environment that is free of discrimination and harassment allows members of the university community to excel in their academic and professional careers. To that end, to the extent provided by application federal and state law, the University prohibits unlawful discrimination against a person because of their race, color, religion, sex (including pregnancy), sexual orientation, gender identity, national origin, age, disability, genetic information, or veteran status. In addition, the University’s commitment to equal opportunity extends its nondiscrimination protections to include sexual orientation, gender identity, and gender expression where not protected by applicable law.

The law defines hazing any intentional, knowing, or reckless act, occurring on or off the campus of an educational institution, by one person alone or acting with others, directed against a student for the purpose of pledging, being initiated into, affiliating with, holding office in, or maintaining membership in an organization if the act:
(A) any type of physical brutality, such as whipping, beating, striking, branding, electronic shocking, placing of harmful substance on the body, or similar activity;
(B) involves sleep deprivation, exposure to the elements, confinement in a small space, calisthenics, or other similar activity that subjects the students to an unreasonable risk of harm or that adversely affects the mental or physical health or safety of the student;
(C) involves consumption of a food, liquid, alcoholic beverage, liquor, drug, or other substance, other than as described in Paragraph (E), that subjects the student to an unreasonable risk of harm or that adversely affects the mental or physical health or safety of that student;
(D) is any activity that induces, causes, or requires the student to perform a duty or task that involves a violation of the Penal Code; or
(E) involves coercing, as defined by Section 1.07, Penal Code, the student to consume:
   (i) A drug; or
   (ii) An alcoholic beverage or liquor in an amount that would lead a reasonable person to believe that the student is intoxicated, as defined by Section 49.01, Penal Code.
Hazing includes but is not limited to:

Any act that intimidates or threatens the student with ostracism; that subjects the student to extreme mental stress, shame, or humiliation; or that adversely affects the mental health or dignity of the student or discourages the student from entering or remaining registered in an educational institution; or that may reasonably be expected to cause a student to leave the organization or the institution rather than submit to acts described in this subsection;

- Any activity that induces, causes, or requires the student to perform a duty or task that involves a violation of the Penal Code.

This law does not affect or in any way limit the right of the university to enforce its own rules against hazing under UTDSP5003, Student Code of Conduct.

Without the submission of the required paperwork, new member/intake process will not be approved. In the event that the intake activities begin without the knowledge and signed approval of the Office Fraternity & Sorority Life, and/or the chapter has not adhered to these written New Membership/Intake Guidelines, new membership/intake activities will cease immediately, and the office of Community Standards and Conduct will be notified immediately. All disciplinary reviews will be handled by the Office of Community Standards and Conduct according to university policy.
